John A. Hedger, aged 73, and Mrs. Amanda
Humphries, aged 58, were married this week at
Flemingsburg. It was the groom's third and
the bride's fourth venture.

Just received, a new line of Neck Chains,
Crosses, Lockets, Blouse Sets, New Style Brace-
lets, Side and Back Combs, New Hat Pins, Set
Rings, Cuff Buttons, Brooches, Pins for Ladies
and Gentlemen. P. J. MURPHY, the Jeweler.

James W. Walker of Indianapolis, General
Organizer of the Supreme Lodge Endowment
Rank, K. of P., was in the city yesterday in the
interest of the Order. Colonel J. Wesley Lee
accompanied the gentleman in his rounds.

W. J. McCarthy, wandering and homeless,
penniless and friendless, was before the Police
Judge yesterday for being drunk and disorderly.
Ten dollars and cost, which means so many
days in Jail, good grub and rest. Do we need
a Workhouse? Yes, indeed, child.

Perry Fryer, a Mt. Gilead blacksmith, was
judged a lunatic at Flemingsburg one day
this week and ordered sent to the Asylum. En
route there, he escaped from his keeper and
jumped the train at Millersburg, but was cap-
tured after a lively chase and landed safely at
Lexington.

At the conclusion of the trial in Cincinnati
of Thomas M. Gaitskill and Mrs. Dora Martin
on a warrant sworn out by Mrs. Gregson, mother-
in-law of Gaitskill, as noted in yesterday's LED-
GER, both of the defendants were held to the
Grand Jury in bonds of \$1,000 each. Gait-
skill is a former resident of Minerva. Both he
and Mrs. Martin gave bond for their appear-
ance before the Grand Jury.

All sources of mankind award credit to him
who excels in whatever undertaking he lends
his energies, and laudable is the conscious
pride which directs to the end of ranking high.
Elsewhere appears a special manifest of that
forceful concern, the Frank Owens Hardware
Co., the straightforward details of which show
how well this broad-gauge concern has won its
trade honors as a grand supply depot for this
region.

Mr. Gordon Gilmore, son of the late Hugh
Gilmore of this city, was here yesterday. Mr.
Gilmore is a resident of Augusta. He is a
fluent and interesting talker and well informed
as to political affairs hereabouts. He is of the
opinion that Mr. Howard McCartney of Fleming
county holds a winning hand for the Republican
nomination for Commonwealth's Attorney in
this District, and that our own George W.
Adair and Jack Wadsworth will be one, two,
after him in the contest.

SEVERAL HOURS DELAY

Caused By the Accident in the C. and
O. Yards Yesterday

There was a railroad mishap in the C. and O.
yards in the West End yesterday afternoon at
1 o'clock that was fortunately void of serious
consequences.

As Westbound freight No. 99 was slowing
up to take water at the tank, the locomotive
tender and one coal car were derailed by running
off the D rail at that point.

It was a fortunate circumstance that the
train was moving slowly. Had it been going at
any rate of speed the engine and several
cars would certainly have been precipitated
into the river and a loss of life resulted.
The wrecking crew from Covington
replaced the engine and cars on the
outside of the delay no serious
damage was done.

A coincidence in connection with the
fact that the engineer, Vernon
a brother of Engineer Gregory who
terrible accident of December 5th last
received injuries from which he

identical spot.

WENT TO JAIL

Boone Beckett Held to the Grand
Jury Yesterday Afternoon

A big crowd was present yesterday afternoon in the Police Court room long before the hour set for the hearing in the examining trial of Boone Beckett, and great was the disappointment when Messrs. Cole and Slattery, the astute lawyers for the prisoner at the Bar, had the case continued until the meeting of the next Grand Jury.

The accused was held in the sum of \$200 and in default was committed to Jail.

Boone swore out a warrant against Fitch Beckett charging him with striking and wounding with a deadly weapon with intent to kill.

Before City Attorney Wood could prevent him Boone remarked—

"He run me back in the kitchen with an iron hatchet," supplementing it with—

"I was going after something, however."

He then smiled at the absurdity of his running from a mere stripping of a youth whom he could pick up and throw over his shoulder with ease.

The examining trial of Fitch Beckett was set for 2 o'clock Monday afternoon and his bond fixed at \$200, which he gave, with Mr. Pierce Browning as surety.

BEN HUR.

"Ben Hur, a Tale of the Christ," judged by the number of books sold, is the most successful story ever written. It is over twenty years since it was first issued, and yet its annual sales keep pace with recent popular novels. It is a story of such vital interest as would in any case entitle it to a prominent place among the leading books of the present time, but its singular popularity is doubtless due to the fact that it is "A tale of the Christ," and to the delicate and reverent manner in which the author, General Lew Wallace, handles this part of his subject. The story will be given at Beechwood Park Tuesday, July 18th, by moving pictures, for the benefit of the Third Street M. E. Church. Admission 25c; children 15c. This includes admission to the grounds. Tickets on sale at Drugstores.

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

WHY?

Why are the good books getting so scarce in Maysville?

Because so many of them have gone and are going every day or so to Cincinnati, Dayton, Washington, C. H. and other Ohio towns.

Why do these good books leave Maysville to go to Cincinnati and other towns mentioned? Because they get more money for less HARD work.

How is it that one woman can do all the cooking and house work, and even laundering, but at these other places and yet be said to do less HARD work than she would have to do just cooking alone in Maysville?

Because cooking with Gas removes all the burden of kitchen labor, saves half the time, and leaves the cook fresh and able to do the other higher housework, and even the laundering where Gas is used for that purpose also.

BRING IT HOME TO YOURSELF!

What would you do if you were the cook? Go away into the past of them. It is a practical proposition. If you want to keep your cook put yourself on an equal footing with your neighbors across the river.

DR. COURTNEY FREE

Acquitted of the Murder of Dr. W. J. Carney Last December

At Brookville the jury acquitted Dr. Courtney, indicted for murder of W. J. Carney at Neave, in Bracken county, last December. The trial was one of the most notable in the history of the Bracken Circuit Court.

The prosecution was conducted by Commonwealth's Attorney Hennessey, assisted by Commonwealth's Attorney Paul of Jackson and Matt Hargett, County Attorney of Bracken.

The defense was conducted by H. H. George Doniphan of Augusta, George H. Hines of Brookville, Colonel R. W. Nelson of Newport and Webster of the Cincinnati Bar.

A report of the trial, which lasted all week, says the witnesses were forgetful and could not remember facts and circumstances when called upon.

Last month some one tried to shoot Dr. Courtney from ambush while he was returning home at night from a visit to one of his patients.

Mr. Garfield Walsh is temporarily employed at the State National Bank during the vacation of Miss Sallie Whittaker.

GOT THE GOODS

And Now Toney is Spending the Hot Season in Jail

Toney Marshall, a colored duck up to all kinds of tricks and well known to the police, is in the toils again. While delivering a load of goods to the Fifth Ward the other day he bought a lot of goods from Mr. H. W. Hawes of the Golden Rule Store, with the understanding that Mr. Walton would stand good for them.

Toney returned to the coal office of Malone & Walton in Plum street and representing himself as Mr. Walton phoned to Mr. Hawes that it was all right; that he, Walton, would stand good for the amount.

Yesterday when Mr. Hawes presented his bill to Mr. Walton he refused payment, saying he knew nothing about the transaction.

Toney had simply used the telephone in carrying out his scheme to defraud.

He is now in jail, where he awaits the action of the Court.

There will be something doing at the Red-men's Hall next Thursday night. They won't tell what until after Thursday, when final arrangements will be made.

HEFLIN-WYATT CONTEST

Grows Bitter and State Committee May Take Charge

The Heflin-Wyatt contest over the nomination for the Legislature from Fleming was brought before the Democratic County Committee at Flemingsburg Thursday.

Paul Heflin demurred to J. D. Wyatt's petition but the demurrer was overruled and the case was set to come up for trial before the Committee next Thursday.

Wyatt has also served notice on Heflin that he will ask the State Central Committee to take jurisdiction in the case.

Both sides have employed counsel and much bitter feeling has been engendered over the matter.

A fight set to between the two aspirants took place at Flemingsburg Thursday over publications Wyatt had made concerning Heflin, but friends intervened before any damage was done.

One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed 10% of his earnings. He must spend 90% in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by all Druggists.

If you want a farm in Mason, Bourbon, Nicholas or Fleming counties, or in fact in any county in Kentucky or Ohio, you should consult John Duley.

On Friday, July 7th, Squire W. H. Rice's two-year-old bay filly by Baron Star trotted a quarter in 26 seconds, a 2:24 gait. She is being handled by Mr. Hedrick on the Vanceburg track.

While ex-Governor Richard Yates of Illinois was in Kentucky last month as counsel for the defense of Caleb Powers, all the gems of Mrs. Yates, consisting of solitaires, brooches and clusters of diamonds to the value of \$3,000, were stolen from their home at Springfield, Arthur Groves, alias Harry Williams, an ex-convict, is suspected.

In the Court-martial of Lieutenant Marion B. Wilhoit, now in progress at New Orleans, Wilhoit pleaded not guilty to the charges specifying fraudulent assignment of a false pay account, etc., including that charging him with disgraceful conduct with a woman on barracks grounds. The money consideration involved reaches \$1,100. Wilhoit admitted his connection with a woman on the ground, the fact that he sent her notes, money and groceries and exposed himself to open criticism on parade grounds with her, and it was proven that the woman's character was bad, but the accused officer denies criminality.

Wise women know a way to rid of the disheartening d dery of "Blue Monday." They lighten their wash worries with EASY TASK soap. It's only soap that combines powerful cleansing quality with mild effect on the skin and fabric. Made from naphtha, coconut oil—none of the rest other cheap materials used in the common yellow soaps. 5c at your grocer's.

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

Had Lumbago and Kidney Trouble

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."

FEARIS.

It's still raining up here.
Campmeeting is now in progress, the rain
to the contrary.
The corn, tobacco and weeds seem to enjoy
this wet weather.
It rained up East somewhere Sunday eve-
ning, as the East Fork came down on a big
high.
R. F. Dusenberry and wife of Manchester
were the guests of John Fearn Saturday and
Sunday and attended Campmeeting.
Bad colds, fever and malaria are showing up
and will be the final sequence of the wet
weather.
Mrs. Amanda Kennard moved to the city
eight or ten days since to keep boarding-house.
Guess she moves back this week and will work
as usual for a living.

Bad weather for oat harvest.

Rev. Roseberry and wife of Maysville came
up Saturday and opened Campmeeting at
Mower Park. The rains are keeping good at-
tendance away. Rev. Sturgell, Elder T. P.
Dogman and maybe others will assist in the
services Saturday and Sunday. Come out to
Campmeeting.

There are always at public meetings some
bad boys trying to raise pandemonium, and it
seems to us that this neighborhood has some
small boys and others not so "small" that have
never been taught the rudiments of how to
honor and respect their parents, and don't know
Sunday from the Fourth of July, don't know
how to treat and respect the strangers within
their gates, and if they have the least respect
for the House of Tabernacle of God they never
show it by their acts. Wonder what some
Christian parents teach their children about
the above matter? With all our Churches,
schools and boasted civilization we had better
take up a collection for the heathen at home.
We are willing to start the amount with more
than double the one-tenth of our income and
do all we can otherwise to teach and convince
young men that it's very cowardly to carry
pistols and fire them off going from meeting,
and not to get drunk and show their depravity
otherwise.

RECTORVILLE.

Mr. Steve Gardner is visiting his sons near
Lexington.

Mr. John Lyman is confined to his bed with
rheumatism.

Master Gurney Bane is visiting Mrs. Phillips
of Spring Branch. Brother Phillips is at home
on a visit.

Mrs. Will Williams and daughter, Emily, have
returned to their home after a pleasant visit
to her father, Mr. Loss Rash.

There was a very enjoyable event at the
home of Mr. and Mrs. Loss Rash, the occasion
being Mr. Rash's sixty-second birthday. Among
the forty-four guests present were Mrs. C. M.
Andrews and daughter, Miss Emily, Mrs. Lue
Birch and daughter of Haverhill, Ohio, Mrs. C.
E. Rummans and Master Will of Tolleboro.
Uncle Loss received many nice presents and
enjoyed the day immensely. After a bountiful
dinner the party gave sitting to a photographer.
The writer wishes Mr. Rash many happy returns
of the day.

CHOLERA INFANTUM.

Child Not Expected to Live From One
Hour to Another, but Cured by Chamber-
lain's Colic, Cholera and Diarrhoea
Remedy.

Ruth, the little daughter of E. N. Dewey of
Aznawille, Va., was seriously ill of cholera in-
fantum last summer. "We gave her up and did
not expect her to live from one hour to another,"
he says. "I happened to think of Chamberlain's
Colic, Cholera and Diarrhoea Remedy and got a
bottle of it from the store. In five hours I saw a
change for the better. We kept on giving it and
before she had taken the half of one small bottle
she was well." This remedy is for sale by all
druggists.

DON'T EXPERIMENT

You Will Make No Mistake If You
Follow This Maysville Citi-
zen's Advice

Never neglect your health. If you are always
tired or have pain in the back, urinary dis-
orders, dizzy, or nervous spells, it's time to act.
These are all symptoms of dangerous kidney
troubles and you should use a remedy which is
known to cure these troubles safely and surely.
Doan's Kidney Pills is that remedy, and if you
wish to be cured of kidney trouble without ex-
perimenting do not fail to use it. Others have
been cured and cured permanently. Why not
follow the advice of a Maysville citizen and he
cured himself?

George N. Crawford, blacksmith and wheel-
wright, at Second and Lee streets, and living
at 216 East Lee street, Maysville, Ky., says:
"In the spring of 1900 I gave a testimonial
telling what Doan's Kidney Pills had done for
me, and I am pleased to say I can just as
warmly recommend this remedy now as I did
then. No other medicine ever gave me such
prompt and positive relief from backache and
kidney trouble as Doan's Kidney Pills, procured
at J. Jas. Wood & Son's Drugstore, and I be-
lieve them to be by far the best remedy for the
kidneys there is. Sufferers from such trouble
ought to give it a trial."
For sale by all dealers. Price 50 cents a box.
